

American Society of Civil Engineers
 The American Society of Civil Engineers, an award-winning student chapter, has over 250 active members and serves the 700 CEE students at Cal with 1-2 events each week

Chi Epsilon
 Chi Epsilon, the national Civil Engineering Honor Society, guides students through their studies by hosting Undergraduate Advising Night and a peer advising program

Cal Concrete Canoe
 The Concrete Canoe Team provides students the chance to design, construct, and race a canoe made entirely of concrete! The team has a strong tradition of winning, including 5 national championship titles

Construction Competition Team
 The Construction Team is a young but rapidly growing team. They have cultivated a strong presence at the annual competition in Sparks, Nevada, which they attend with more energy every year.

Environmental Competition Team
 The Environmental Team designs a water treatment system taking into account sustainability, cost, and quality. Cal Enviro is the only team to have won 3 consecutive first place wins at regional competition.

Steel Bridge
 The Steel Bridge Team designs and fabricates a 23-foot long steel bridge. Students receive extensive design and shop training. The team has done extremely well at regional and national competitions. The team placed 1st overall at the 2012 and 2013 National competition

Seismic Competition Team
 Cal's Seismic Team educates students on earthquake design of high rise buildings. Students construct a 5' model building made of balsa wood which is tested over a shake table that replicates historic earthquakes

CEE ASCE is a sponsored student group of the ASUC, a non-profit unincorporated association, IRS Code 501c3. Your donation to the ASUC on behalf of ASUC/CEE ASCE may be claimed as a charitable contribution.

*All money donated through the purchase of the Professional Packages and Individual Programs goes directly to helping the CEE groups. We succeed because of you!

Thank you and Go Bears!

Individual Programs

Sponsor a Social Event

Social events range from ice cream socials to movie nights to bowling. Your donation will contribute to the lively social atmosphere in the CEE department.

Sponsor the Civil Picnic

Civil Picnic is one of the most popular events for CEE students, faculty, and alumni. Come be part of the Cal Family. The banner with your company logo will be posted at the event!

Sponsor the CEE Banquet

This end-of-year banquet brings all of the student groups together for dinner and a review of the successes of the past year! Representatives from your company are welcome to come and speak at the banquet.

Sponsor a Civil Engineering Team

Direct donations can be made to help support one of our various teams. These funds will help the teams pay for equipment, materials, transportation to their competitions, and more!

*If you would like to purchase an item individually or create a custom package, contact Jessica Tran to design a package that fits your company's needs.

**Please note that reservations canceled less than one month before the event will be charged a cancellation fee.
