

The Construction Research Community

From Chaos to Action

■ Community as Chaos

- Need to build own Kingdoms
 - Goal misalignment
- No common voice
- Some things can be better handled at a higher level
- Leadership vacuum

■ Community as Members

- Individuals
 - Faculty
 - Students
 - Alumni
- Programs (CEM, CM, PM, AE, FM)
- Research groups and organizations
 - CII , CIFE , CERF, ...
 - ASCE, CIB, CRC,
- Industry as researchers

■ Community as Relationships

- CEM, CM, PM, AE, FM programs
 - Departments
 - College
 - Campus
 - Industry
 - Government agencies
- Research groups and organizations

■ Community as Producers

- People
- Education
- Research
- Time frame
 - Short term
 - Long term
 - Legacies (?)

■ Community as an Organization

- What makes an organization effective
- Identity
- Leadership
- Shared goals and objectives
- Communication
- Strategy
- Virtual

■ Community as Action

- Assess,
- Communicate,
- Plans,
- Nurture,
- Maximize our value (strategize, prioritize)
