

Notification of Minor Completion Geosystems

This form is to notify the Department of Civil and Environmental Engineering Undergraduate Office that the undersigned has completed all the requirements for a minor in Geosystems.

This form needs to be completed and turned in to CEE's Academic Affairs Office, 750 Davis Hall, by the end of the semester in which the minor requirements are completed. The Department of Civil and Environmental Engineering will then certify completion of the minor to the Office of the Registrar. The minor will be noted in the *Memorandum* section of the University of California, Berkeley transcript upon the student's graduation.

Student's name: _____ SID #: _____

Home college: _____ Major: _____
